INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Friendship Home of Lincoln, Inc.
Lincoln, Nebraska

Opinion

We have audited the accompanying consolidated financial statements of Friendship Home of Lincoln, Inc. (a nonprofit organization), and wholly-owned subsidiary, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Friendship Home of Lincoln, Inc., and wholly-owned subsidiary, as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friendship Home of Lincoln, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Home of Lincoln's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friendship Home of Lincoln, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Home of Lincoln Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The supplementary schedules

on pages 25 - 27 are provided for additional analysis and are also not a required part of the consolidated financial statements. The supplementary schedules on pages 25 - 27 and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules on pages 25 - 27 and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Report Issued in Accordance with Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 5, 2022, on our consideration of Friendship Home of Lincoln, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. Also, in accordance with *Government Auditing Standards* and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, we have also issued a report dated April 5, 2022, on Friendship Home of Lincoln, Inc.'s internal control over compliance and an opinion on its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters that could have a direct and material effect on a major program. Those reports are an integral part of a *Government Auditing Standards* and Title 2 CFR 200 audit in considering Friendship Home of Lincoln, Inc.'s internal control over financial reporting and compliance.

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Friendship Home of Lincoln, Inc. (Friendship Home), is a nonprofit corporation organized to provide emergency shelter for victims of domestic violence and their children. Friendship Home is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Nebraska law. Friendship Home is classified by the Internal Revenue Service as other than a private foundation.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Friendship Home of Lincoln, Inc., and its wholly-owned limited liability company which was formed during the year end December 31, 2018. All significant inter-company transactions and balances have been eliminated in consolidation.

Basis of Accounting

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting.

Net Asset Classification

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for specific use or invested in property and equipment.

Net Assets With Donor Restrictions

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both, and are reported in the statements of activities as net assets released from restrictions.

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Asset Classification (Continued)

Net Assets With Donor Restrictions (Continued)

Contributions restricted by donors received in the same period when the associated stipulated time or purpose restriction is accomplished are reported as increases in net assets without donor restrictions. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions.

Contributions

The Organization utilizes FASB ASC 958-605, *Accounting for Contributions Received and Made*. FASB ASC 958-605 requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the Organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Contributed Materials and Services

The Organization records various types of in-kind contributions. Contributed services are recognized at fair market value if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair market value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or additions to property and equipment.

Volunteers

Many individuals volunteer their time and perform a variety of tasks that assist the Organization with its operations. The volunteer hours have not been recorded in the financial statements since those services do not meet the criteria for recognition.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

Accounts receivable have been adjusted for all known uncollectible accounts. No allowance for bad debts is considered necessary at year end.

Investments

The Organization utilizes FASB ASC 958-320, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. FASB ASC 958-320 sets standards of reporting at fair value certain investments, debt and equity securities, held by not-for-profit organizations.

Therefore, investments in equity securities that have a readily determinable fair value and all investments in debt securities are stated at fair value, with gains and losses included in the statements of activities. Fair value is determined by quoted market values.

Property and Equipment

Property and equipment are stated at cost, if purchased, or fair value, if donated. Major expenditures for property and those which substantially increase useful lives are capitalized. Maintenance, repairs, and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income. It is the policy of the Organization to capitalize equipment with a value of \$5,000 or greater.

Depreciation

The Organization provides for depreciation of property and equipment using annual rates which are sufficient to amortize the cost of depreciable assets using the straight-line method over their estimated useful lives, which range from 3 - 39 years.

Compensated Absences

Employees' vacation benefits are recognized in the period earned.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). The Subsidiary is organized as a limited liability company for the exclusive benefit of the Organization and wholly-owned by the Organization.

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The Organization utilizes the provisions of FASB ASC 740-10, *Accounting for Uncertain Tax Positions*. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that would be material to the financial statements.

Use of Estimates

The preparation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been reported on a functional basis in the combined statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising

Advertising costs of the Organization are expensed as incurred.

NOTE 2. PROPERTY AND EQUIPMENT

The major classes of property and equipment in service at December 31, 2021 and 2020, are as follows:

	2021	2020
Land	86,905	86,905
Building and improvements	2,009,896	1,975,474

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 3. INVESTMENTS

The Organization utilizes FASB ASC 820-10, *Fair Value Measurements*, which provides a framework for measuring fair value under accounting principles generally accepted in the United States of America. FASB ASC 820-10 applies to all financial instruments that are being measured and reported on a fair value basis.

As defined in FASB ASC 820-10, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization uses various methods including market, income, and cost approaches. Based on these approaches, the Organization often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market-corroborated, or generally unobservable inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

Level 3 - Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

For the years ended December 31, 2021 and 2020, the application of valuation techniques applied to similar assets has been consistent. The following is a description of the valuation methodologies used for instruments measured at fair value:

Marketable Equity Securities

The fair value of marketable equity securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers.

FRIENDSHIP HOME OF LINCOLN, INC.

NOTE 3. INVESTMENTS (Continued)

If listed prices or quotes are not available, fair value is based upon externally developed models that use unobservable inputs due to the limited market activity of the instrument.

Management evaluates securities for other than temporary impairment at least on a quarterly basis, and more frequently when economic or market concerns warrant such evaluation. Consideration is given to (1) the length of time and the extent to which the fair value has been less than cost, (2) the financial conditions and near-term prospects of the issuer, and (3) the intent and ability of the Organization to retain its investments in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value. As management has the ability to hold securities for the foreseeable future, no declines are deemed to be other than temporary.

A summary of return on investments consists of the following for the years ended December 31, 2021 and 2020, respectively:

NOTE 4. LEASES AND COMMITMENTS

As part of its Transitional Shelter and Single Family Emergency Shelter programs, the Organization obtains short-term residential leases for some of its clients. The Organization pays for units rented from Lincoln Housing Authority on an annual renewal agreement at various rates ranging from \$475 to \$750 per month. All of these leases are on a month-to-month basis for the clients.

The Organization leases a copier under an operating lease that calls for minimum monthly payments of \$188 per month. This lease expires in December 2022.

Beginning in October 2018, the Organization leased telephone equipment under an operating lease that calls for minimum monthly payments of \$951 per month. This lease expires September 2023.

Future minimum lease payments under the above agreements are as follows:

2023		8,558

NOTE 5. PLEDGES RECEIVABLE

Annually, the Organization initiates fundraising campaigns to fund their program services. The Organization has determined that discounting pledges receivable to their present value would have an immaterial effect on the financial statements as a whole and no such adjustment has been made to the financial records. The collection schedule of the pledges receivable at December 31, 2021, is as follows:

Receivable in less than one year	111,660
Receivable in one to four years	116,500

NOTE 7. DESIGNATED NET ASSETS

The Board of Directors has appropriated net assets without donor restrictions for the establishment of an operating reserve, building fund, and endowments as follows:

	2021	2020
Operating reserve	1,410,519	189,629
Permanent endowment for operations	256,125	231,498
Nonpermanent endowment for operations	244,356	264,277
Building Fund	747,467	782,495
	2,658,467	1,467,899

NOTE 8. DONOR-DESIGNATED ENDOWMENTS

The Organization's endowments include a Special Donor Fund and other individual funds established for a variety of purposes. The endowment includes both donor-restricted funds and funds designated to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until

NOTE 8. DONOR-DESIGNATED ENDOWMENTS (Continued)

those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters, and Strategies

The Organization has a formal investment policy that was approved by the Board of Directors effective November 2010. The overall investment objective of the policy is to provide long term appreciation of capital and limit risk through diversification. At December 31, 2021, the endowments were held in exchange traded funds and fixed income funds and the investments of the Special Donor Fund are invested in equity securities.

Spending Policy

The Organization implemented a formal spending policy in 2017.

Friendship Home established the following spending policy with regard to the use of available investment accounts, subject to donor restriction:

Up to 4% of the total market value of the available funds may be distributed annually based upon a 3-year rolling average of market values of the investment accounts as of December 31, the fiscal year of the Friendship Home.

The spending policy is based on a percentage of portfolio assets using the smoothing term model, which provides a consistent withdrawal percentage in perpetuity.

Endowment net asset composition by type of fund as of December 31, 2021, is as follows:

	Without Donor Restrictions	With Donor Restrictions	Total Endowment Assets
Board-restricted endowment funds	500,481		500,481
Donor-restricted endowment funds		<u>1,438,712</u>	<u>1,438,712</u>

NOTE 9. NET ASSETS WITH DONOR RESTRICTIONS (Continued)

When the Organization constructed their shelter building the City loaned funds and accordingly noted that should the Organization no longer use the property for emergency shelter services or should the property be sold, \$100,000 would be due back to the City. The Organization has recorded the \$100,000 as permanently restricted net assets on the statement of financial position.

NOTE 10. LIQUIDITY AND AVAILABILITY

NOTE 11. RETIREMENT PLAN

The Organization maintains a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code. The plan covers regular scheduled employees of the Organization. The Organization contributes up to 6% of employee contributions for qualified employees to the plan based on years of service. Employees may make contributions to the plan up to the maximum allowed by the Internal Revenue Code. Plan expenses were \$40,591 and \$42,320 for the years ended December 31, 2021 and 2020, respectively.

NOTE 12. CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Organization to concentrations of credit risk consist primarily of receivables with a variety of grantors and others. Such credit risk is considered by management to be limited due to the Organization's broad grantors' financial resources.

FRIENDSHIP HOME OF LINCOLN, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 12. CONCENTRATION OF CREDIT RISK (Continued)

The Organization maintains cash balances at several financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2021, the Organization's uninsured cash balances at financial institutions totaled \$151,792, with \$37,027 in outstanding checks.

NOTE 13. LINCOLN COMMUNITY FOUNDATION ENDOWMENTS

The Organization has been named the beneficiary in two endowment funds held and managed by the Lincoln Community Foundation of which the Organization is entitled to receive annual distributions in November of each year. The total distributions received from these endowment funds during the year ended December 31, 2021 and 2020, was \$13,861 and \$14,080, respectively.

NOTE 14. GRANTS RECEIVABLE

Approximately 70% of grants receivable at December 31, 2021, and 40% of grants receivable at December 31, 2020, was from one of the Organization's grantors.

NOTE 15. RISKS AND UNCERTAINTIES

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Organization's customers, employees, and vendors all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Organization's financial position and changes in net assets and cash flows is uncertain and the accompanying consolidated financial statements include no adjustments relating to the effects of this pandemic.

NOTE 16. SUBSEQUENT EVENT

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through April 5, 2022, the date the financial statements were available to be issued.

Lincoln, Nebraska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Friendship Home of Lincoln, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 5, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Friendship Home of Lincoln, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Friendship Home of Lincoln, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Friendship Home of Lincoln, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited Friendship Home of Lincoln, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Friendship Home of Lincoln, Inc.'s major federal programs for the year ended December 31, 2021. Friendship Home of Lincoln, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Friendship Home of Lincoln, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Friendship Home of Lincoln, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Friendship Home of Lincoln, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Friendship Home of Lincoln, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Report on Internal Control over Compliance

Management of Friendship Home of Lincoln, Inc., is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Friendship Home of Lincoln, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Friendship Home of Lincoln, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
